Review report
**To the Board of Directors of
 Kansai Nerolac Paints Limited**

We have reviewed the accompanying statement of unaudited financial results ('the Statement') of Kansai Nerolac Paints Limited ('the Company') for the quarter ended 31 December 2013 and year to date results for the period 1 April 2013 to 31 December 2013, except for the disclosures regarding 'Public Shareholding' and 'Promoter and Promoter Group Shareholding' which have been traced from disclosures made by the management and have not been audited by us. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity issued by Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreement including the manner in which it is to be disclosed, or that it contains any material misstatement.

Notes:

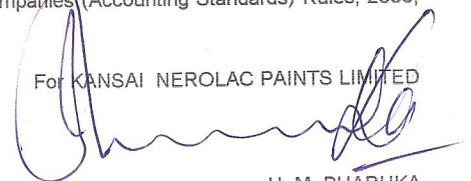

- The above results have been reviewed by the Audit Committee and approved by the Board of Directors at their meeting held on 31st January 2014. These results have been subjected to "limited review" by the statutory auditors of the Company.
- During the quarter ended 31 March 2013, the Company had retrospectively changed its method of providing depreciation on its fixed assets from the 'Written Down Value' to the 'Straight Line' method. Accordingly, excess depreciation charged for earlier years upto 31st March, 2012 aggregating Rs. 1,149 million was written back and recognized as an exceptional item in the results for the year ended 31st March, 2013. Had the Company reported results for the quarter and nine months ended 31st December 2012 based on Straight Line method of depreciation:

Rs in Million

Particulars	Quarter ended	Nine Months ended
	31.12.2012	31.12.2012
1. Depreciation charge would have been lower by	52.00	147.00
2. Deferred tax expense would have been higher by	16.87	47.69
